# ABOUT BABILOU

## WHO ARE WE?

### A LITTLE STORY THAT MATTERS

Rodolphe and Edouard Carle co-founded Babilou in 2003 when they were desperate to find a childcare solution for their kids. A few years later, several successful entrepreneurs from the childcare industry joined Babilou to form the Babilou Group. All of them shared common values of Respect, Team Spirit, Kindness and Commitment. From that point, Babilou quickly became a leader in child care.

Between 2013 and 2015, Babilou expanded beyond the borders of France into Belgium, Germany and Switzerland. We now have over 1100 daycare centres in Europe and around the world and welcome over 20,000 families every week.

## OUR PRE-ENROLLMENT PROCESS

### WHO IS ELIGIBLE TO MAKE A REQUEST?

All United Nations employees with a valid contract are eligible to complete our online pre-enrollment form and have their registration fee waived.

### HOW CAN I MAKE A REQUEST ?

It's as easy as pie! To pre-enroll in one of our daycares, click on the link below, choose your preferred daycare and click on "Request a visit" :

<https://www.babilou.ch/en/nursery-network/>

Dates of the pre-registration period:

Between the 19<sup>th</sup> of January and the 5<sup>th</sup> of February 2023

### WE CONTACT YOU TO SCHEDULE A VISIT

Once the allocation period has closed, we will contact you by email to set-up an appointment to visit the daycare. On that occasion, our daycare director will explain you the administrative papers that you will receive by email, complete and return if you decide to confirm your subscription.

After the visit, you will have 5 working days to confirm your pre-registration by sending back the required pre-registration form. If you do not, we will file your application.

Once we have received your signed pre-registration form, we will establish the contract for your child to send back in 2 versions. Right after, you will receive the invoices for the 2 first months of attendance of your child. The payment of those guarantees the place for your child.

## AFTER THE APPLICATION PERIOD

### GETTING STARTED and THE SETTLING-IN PERIOD

Once we have received your payment, the daycare director will ask you to return all the papers related to your subscription.

Among other things, the director will tell you about the settling-in period. During this period, parents remain with their children for short periods of time at the day care centre. It helps to maintain the stability and continuity that every child needs, regardless of their age. You will become familiar with the daycare, and will be able to give the team more details about your child's daily routine so that we can follow their rhythm. At that time, we encourage parents to bring in familiar things from home such as comforters, teddy bears or even clothes with their smell on it.

The settling in period is compulsory and the childcare schedule for this period will be agreed jointly with the family.

Please don't hesitate to ask any questions that you may have!

## THE COST OF A PLACE

### THE COST OF A PLACE AT BABILOU MIES

Thanks to our partnership with the UN, the 400 CHF registration fees for all parents welcomed in our daycares will be waived (600 CHF for two children).

- 93 CHF per morning with lunch (7.00 a.m. – 1.45 p.m.)
- 67 CHF per afternoon without lunch (2.00 p.m. - 6.30 p.m.)

Number of full days per week	1	2	3	4	5

In order to improve the quality of daycare, optimize the organization of activities and outings as well as to ensure continuity in the daycare days, please note that half-days will no longer be offered after 31.08.2023.

If welcomed at the same time, siblings are offered a 15% reduction for the second child and a 25% reduction for the third child.

Placement fees are calculated on a monthly basis, based on 50 weeks of opening, so that families are not charged for the daycare's weeks of annual leave. For regular day care, the invoice amount is the same each month.

Placement fees are invoiced monthly in advance. If payment for an invoice is late, the family will be invoiced for any reminders sent.
