1. Adoption of the agenda

The agenda was adopted without changes.

2. Adoption of the draft minutes

The minutes were adopted without changes.

3. JNC

The next EB meeting would be rescheduled, due to the JNC meeting scheduled at the same time. The JNC had been convened primarily to discuss issues with the evacuation of building H. Any broadcast regarding the evacuation would be postponed until after the meeting. It was agreed also to put update on the cafeteria closure and the impact of SHP delays on SAFI on the agenda.

4. Post-adjustment survey town hall

It was agreed to organise two town hall sessions: one before the survey launch on 20 October and a follow-up session after staff had received the questionnaire, on 12 November.

5. Controller meetings

The Staff Union's slot with the Controller during his visit to Geneva had been confirmed. Given that he would by then have addressed SMC, all Secretariat staff and all Geneva staff, it would be necessary to consider which questions to ask. It was agreed to prioritize individual cases relating to Geneva, such as the case of termination during sick leave after downsizing.

6. Security Sectoral assembly

It was agreed to invite the representatives of the Security Sectoral Assembly to meet with the Bureau members.
